The Library of Congress'

***EARLY STATE RECORDS PROJECT***

converted from the original microfilm held by the
Vincent C. Immel Law Library, Saint Louis University

through the generous support of a grant from the

Council on Library and Information Resources

This document contains handwritten text that may be partially illegible due to age, penmanship, or deterioration of the medium. LLMC has scanned the material in the same format and page order in which it is maintained in the source document taken from the collection "Records of the States of the United States of America, a microfilm compilation."
